CoVid19 Fees Update for last trimester.

Dear Parents,

The CoVid19 pandemic has, unfortunately, caused chaos worldwide and also in Namibia.

Our “regular” school program has been disrupted on more than one occasion and parents are afraid to send their children to school, although it has been open for face to face classes for certain grades. We have had, at the most, five students attending classes, during this period. Fortunately, all our students have been able to access their work, throughout this disaster, on a daily basis. Students have also been able to access the virtual classes, during school hours, presented by teachers, who have been coming to school on a daily basis.

School is set to re-open for Grade 4 – 6 on 3rd August 2020. I seriously doubt that many students will attend, as attendance to date has been very poor.

We are also aware that this pandemic has caused financial chaos, not only for parents, but also for the school. We have, therefore, already given discount on the “second” trimester fees, on accounts that were fully paid in the first trimester. Outstanding fees remain at a disastrously high level.

We would also like to assist the parents of students who are attending “regular” primary school in the last trimester. The following seems to be the best option:

Fees for the last trimester will be adjusted to a portion of the online fees and the “Wifi Fee” will be totally discounted on accounts that are up to date by 31st July 2020. This offer is valid where students will not be attending face to face classes for the rest of 2020.

Parents who wish to send their children to school, from 1st August 2020, will have to book and pay for supervision and assistance @ N\$50 per day, during school hours. Please take note that the school has been sanitised and is maintaining CoVid19 rules for students and staff members. These measures MUST be adhered to by all.

We will, in light of the above, consider 31st July 2020 as the end of the “second” trimester. The last trimester will therefore commence on 1st August 2020.

This notice is considered as an amendment to the current school agreement, signed by all parents. Please note that ALL “regular” students will be blocked from our learning portal from 1st August 2020 until such time as we have received written notification to the e-mail address, headmaster@cpsgo.org, that you have read, understood and abide by this CoVid19 amendment for 2020. Outstanding fees have to be up to date by 31st July 2020 for students to continue.

Please contact me, on the above e-mail address, if anything is unclear or needs more explanation.

Yours sincerely,

Moresche
